

**Annex 1:****Catalogue of industrial products subject to production licensing management**

Publish date: 2009-11-02

<b>No.</b>	<b>Product name</b>
1.	Man-made board
2.	High strength deformed steel bar
3.	Steel wire and/or strand used in pre-stressed concrete
4.	Refractory materials
5.	Round strand steel rope
6.	Bearing rolled steel
7.	Pump
8.	Air compressor
9.	Storage battery
10.	Engine driven threshing machine
11.	Explosion proof electrical apparatus
12.	Grinding wheel
13.	Internal combustion engine
14.	Wires and cables
15.	Electric welding rod
16.	Power rectifier
17.	Small-sized handling facility
18.	Satellite television broadcasting ground receiving equipment
19.	Integrated Circuit (IC) card and read-write equipment
20.	Fertilizer
21.	Agricultural chemicals
22.	Rubber product
23.	Hydraulic blow out preventer
24.	Drilling suspension tool
25.	Electric blanket
26.	Moped
27.	Spice and essence
28.	Eyeglasses
29.	Pre-stressed reinforced concrete sleeper
30.	Railway bridge pre-stressed reinforced concrete simple supported beam
31.	Port loading and unloading machinery
32.	Highway bridge support saddle
33.	Motor vehicle brake fluid
34.	Special work care products
35.	Building steel tube scaffold fasteners
36.	Building exterior window
37.	Building windlass
38.	Motorcycle helmet
39.	Cement
40.	Concrete pipe for water
41.	Friction material and airproof products

42.	Building waterproof coiled material
43.	Copper tubes and pipes
44.	Aluminium or titanium alloy converted products
45.	Broadcasting iron tower
46.	Power circuit hardware
47.	Transmission line iron tower
48.	Power dispatching communication equipment
49.	Hydraulic metallic structure
50.	Hydrological instrument
51.	Geotechnical engineering instrument
52.	Refrigeration plant
53.	Survival equipment
54.	Pumping equipment
55.	Fuel gas appliance
56.	Feed grinder
57.	Counterfeit banknote detector
58.	Dangerous chemicals
59.	Wrappers and containers of dangerous chemicals
60.	Cotton processing machinery
61.	Anti-counterfeit technical products
62.	Broadcast television transmitting equipment
63.	Cash register
64.	Processed food
65.	Products and materials that come into direct contact with food
66.	Cosmetics
