China International Meat Industry Business Bridge 2019 -Match-making Business Talks (Shanghai)

商之桥
Business Bridge

Invitation

The series of “China International Meat Industry Business Bridge - Match-making Business Talks” is a world’s premier gathering of pork, beef, lamb and poultry industry players - including producers, importers and exporters, and service suppliers as well, providing a direct, targeted and effective platform for the international meat suppliers and the domestic meat buyers to seek for the opportunities of trade and cooperation.

The May Series of “Match-making Business Talks 2019” will be held in Shanghai on the afternoon of May 13, 2019. It will integrate a short seminar, B2B match-making meetings and networking event to provide a better platform for meat importers, exporters and processers both at home and abroad to learn about the trade policies and communicate with the counterparts.

China Meat Association cordially invites you to join this grand gathering and its series of activities in 2019.

China (Fengdu) Beef Deep-processing Summit

Date: May 18, 2019
Host: China Meat Association
Venue: Fengdu County, Chongqing

Fengdu is a county in Chongqing, southwest of China, famous for its beef cattle husbandry and production, which is also the mainstay industry in the area. The rising beef cattle industry in the County is also playing an important role in the Poverty Relief Program of the Chinese government. Therefore, to further promote the beef cattle industry in Fengdu and improve the technologies of the cattle husbandry and beef deep-processing, the China (Fengdu) Beef Deep-processing Summit will be held in Fengdu, Chongqing on May 18, 2019. We'll discuss on the topics of "Beef Safety, Standardization Progress of the Beef Industry, Regulation of the Imported Beef, Beef Deep-processing Industry Development, Targeted Poverty Alleviation in Beef Sector and etc."

More details will be coming soon.
